

WE'RE ALL IN THIS TOGETHER

During this COVID-19 crisis, Montgomery Self Storage is continuing to do our part in providing the personal service you have come to expect. We are following CDC guidelines and our managers are going above and beyond.

- Our offices are still open, and we can help with most items, including move-ins, remotely if needed
- If you are not already using it, we encourage you to set up and use the "Pay Online" feature.
- Special appointments can be arranged for those who are considered high-risk. Give us a call.
- If we must close our offices, the Property Managers will still be available by phone. Just call the office number.
- More details are available in our [blog](#) on this subject.

Most Sincerely,

Andrew Pena, Jr.
